ASSESSMENT DEPARTMENT.

Captain F. W. Birch,	Collector of Assessments
John Carr, and R. Graham, Esquires.....	Assessors

A Tax of 5 per cent per annum, on the rent, is levied quarterly by the Collector of Assessment on all dwelling houses or tenements in Calcutta.

The Rent of Houses occupied by the Proprietors is estimated at the rent similar houses of the neighbourhood are let for.

No Tax is levied on empty houses the same being duly reported to the Collector within seven days of being vacated.

Public Religious Edifices are exempt from the payment of Tax.

The Assessment on all premises is taken on the rents already known. When rents fall, or the value decreases from any cause, parties may petition the Justices of the Peace, through the Clerk of the Peace, when after examination their cases will be taken into consideration. In Assessing new premises, the Assessor will serve on the proprietor a printed notice specifying the rate at which the Tax will be levied; should this appear to the owner excessive, he can, as in the above case, send to the Clerk of the Peace a petition stating his objections, when his case will be brought forward and heard—should no objection be made, the rate named by the assessor will be fixed. Sessions are held quarterly for hearing all objections as to rent and any alteration made in session, whether of increase or decrease, will take place from the commencement of the next quarter and will not have any retrospective effect nor will the alteration break in upon a quarter.

When the property is occupied by Huts, built by the tenants besides the real amount of ground rent received by the proprietor a valuation on the Huts is also made and the owner is assessed for both the ground rent and the value of the Huts, he on his part may levy the Tax, or the difference between the ground rent and the valuation, from his tenants.

On the sale or purchase of property, the purchaser should see that all balances are adjusted and proprietors should be careful to notify to the assessors that such change has taken place, the assessor on being satisfied of the correctness of such information will, during the next session, insert the name of the new Proprietor in the assessment book, after which the bills will be issued in the name of the purchaser.

The Tax is collected quarterly and in case of refusal or evasion of payment the Collector may levy the same by distress of Property of the occupier or proprietor. Parties often think it sufficient to intimate a fall in their rental to the Collector, but this is of no avail, for the notice of occupation in which it is generally inserted is obliged to be kept in his office whilst the notice of reduction should be made to the Clerk of the Peace, if with the view to having it rated accordingly.

Meetings of the Committee are held at the Old Church Rooms, twice in each month, to hear and decide upon cases; and to consider such matters as may be brought before them.

Every applicant for relief, after the registry of his case, is required to point out his residence to the Inspector, and is then referred to the Visiting Member, whose duty it is to make a report upon the case for the consideration of the Committee at the next ensuing meeting.

Upon the admission of any applicant to the benefit of the Funds, he is furnished by the Secretary with a Ticket, stating the period for which he is to receive relief, and the amount of Pension, and a concise description of the individual. This Ticket is produced upon each pay day.

Able-bodied individuals who, from the peculiar circumstances of their cases, may be considered deserving of relief, are referred to the Central Committee, with such temporary assistance as the exigency of the case may appear to require.

Turns of Inspection—Four months in the year for each Member, within his own Section.

Meetings of the Committee are held once a fortnight, upon alternate Tuesdays, or oftener if necessary at St. James's Church. Applications for relief are registered by the Secretary, and sent for inquiry, and report, to the members, according to their turns of inspection, and the Sub-Division in which the applicant may reside. The cases, with the report of the Members by whom they have been investigated are submitted to the Committee, at the next ensuing meeting, and disposed of according to their merits, the applicant being in attendance. Those who are admitted to the funds either permanently, or for a temporary period, receive Tickets from the Treasurer to such effect. Those who are only admitted to temporary relief, on the expiration of the allotted period, are required to attend again before the Committee, and frequently their cases are re-investigated and disposed of according to a further report from the Visiting Member. Cases of peculiar hardship, but which, on account of the individuals being able-bodied, the Committee are precluded from relieving, are recommended to the Central Committee, with such temporary relief as may be deemed necessary by the Visiting Member, for the Committee, according to the exigency of the case. The Committee also meet once a month for the payment and inspection of all the Pensioners of the District.
